GLIMPSES OF WIM'S ACHIEVEMENTS

2. The Minister of Domestic Trade and Industry appointed WIM to train the Corporate Directors' Training Programme (CDTP) as an HRDF Approved Training Provider under PROLUS Scheme, for 10,000 company directors from Private Limited Companies (Sdn. Bhd.) throughout Malaysia, from 2001- 2005
3. WIM has organised 734 courses and events for 33,823 participants, mostly free skills training courses for disadvantaged women throughout Malaysia (as at 31.8.2018)
4. WIM has taken up the responsibility of providing higher education for working men and women by delivering a British MBA Degree Programme. WIM College is one of the most successful MBA providers in Kuala Lumpur. Its success is due to:
 - a) WIM College having obtained all approvals of the Ministry of Higher Education and the Malaysian Qualification Agency (MQA), and recognised by the Public Service Dept. (PSD)
 - b) our MBA students being eligible for withdrawal from the Employees Provident Fund.
 - c) a recent special audit of WIM College conducted by the University of East London (UEL) and external universities in the UK, as a result of which WIM College is exempted from audit by UEL for the next 5 years.
5. WIM is the only NGO which produces a Business Journal, INSPIRE, 3 times a year covering Leadership, Management, Education, Law, Health, Entrepreneurship and Women's Issues. To mark WIM's 25th Anniversary in 2018, WIM has published a 432-page Book: "Reaching for the Skies: The WIM Story - From an Idea to a High Achiever NGO."
6. The international audit firm, Moore Stephen, based in London, was appointed by the UNFPA to conduct an audit assessment exercise on WIM, which has been awarded several training projects by the UNFPA since 1997 and currently extended up till 2018. As a result, WIM has been declared a low risk partner of UNFPA, and therefore exempted from audit for 5 years.
7. On the recommendation of the Minister of Women, Family and Community Development, YAB the Prime Minister has appointed the WIM's CEO to the newly formed National Women's Advisory and Consultative Council on 4.8.2015. WIM has also been named as a "Women's Champion" by the Ministry.
